1. Requestor:	Alice Murray
Address	USF Polytechnic
Telephone	863-667-7014
Email	amurray@poly.usf.edu

2. Description of Project alignment with USF Mission and purpose of Project: The USF Polytechnic Allied Health Building will house the newly approved School of Pharmacy and affiliated programs. The facility supports the following USF Strategic Plan Goals: Goal 1: It provides facilities for world-class interdisciplinary research, creative and scholarly endeavors. Goal 2: It promotes opportunities for globally competitive graduate programs in a diverse, fully-engaged, learner-centered campus environment. Goal 3: It expands local and global engagement initiatives to strengthen and sustain healthy communities and to improve the quality of life.
--

3. Campus: (check one)
<input type="checkbox"/> Tampa
<input type="checkbox"/> Sarasota
<input type="checkbox"/> St. Petersburg
<input checked="" type="checkbox"/> Polytechnic X

4. Physical Boundaries (graphic attachment)

5. Acreage: Approximately .8 acres

6. Fund Source of Study: PECO, Additional funds as needed

7. Scope of Work: The project is expected to be approximately 100,000 GSF over multiple floors. The facility will contain several large and small group classrooms, clinical practice areas, point-of-care facilities, wet and dry research laboratories, faculty and support staff offices and 3 auditoriums, ranging from 125 seats to 400 seats.

8. Impact to Campus Master Plan: Consistent with the USF Polytechnic Master Plan concept update October 2009.

9. Maintenance Requirements: All utilities and maintenance of the facility will be the responsibility of the Campus Operations P. O. & M.
