2021-2022 VIRTUAL PARKING PERMIT SALES ARE NOW LIVE!

07/15/2021

All parking permit sales for the 2021-2022 academic year are now live. Visit parking.usf.edu to sign into your account and purchase your virtual permit.

New this year:

- **Virtual Parking Permits:** Your vehicle's license plate will now serve as your virtual parking permit. Sticker permits will no longer be provided or needed. Learn more at www.usf.edu/virtualparkingpermits
- **Park Plate Out:** As part of the transition to virtual permits, you will need to begin parking "plate out." This means your license plate must be facing towards the drive aisle so it can be read by our License Plate Recognition (LPR) technology.
