New Bull Marketplace User Experience Interface Coming Soon

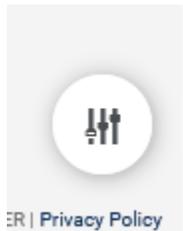

Hello University Community,

A new user experience interface is coming soon to Bull Marketplace.

The new interface will be required beginning on April 12th to coincide with the 21.1 Release.

You can begin using the new user interface experience now and can freely switch back and forth between the current and new interfaces through April 9th. Reviewing the user experience interface prior to April 12 will allow you to ask questions and provide feedback during the test period prior to go-live. You can send feedback and questions to eProHelp@usf.edu.

To access the new user experience interface, please click on the settings icon in the bottom right hand corner while viewing a Requisition, PO or Invoice in Bull Marketplace. The icon looks like this:

Additionally, you can watch a video for more information regarding this change on [YouTube](#) and/or click on the banner announcing “New User Experience interface is coming soon” at the top of the Bull Marketplace page.

Bull Marketplace will be unavailable starting at 9:00 p.m., Friday, April 9 until 12:00 p.m. Sunday, April 11, for the release update.

Thanks,

George Cotter
