

130TH COMMENCEMENT CONVOCATION **SUMMER 2023**

UNIVERSITY OF SOUTH FLORIDA

TAMPA | ST. PETERSBURG | SARASOTA-MANATEE

Dear Graduates,

On behalf of the University of South Florida trustees, faculty, staff, and hundreds of thousands of global alumni, I extend my deepest congratulations to you, the graduating class of summer 2023!

This is a momentous occasion, not just for you, but for those who have helped you reach this important milestone. Whether they are here with you today or cheering you on from afar — your family, friends, and the entire USF community are thrilled to celebrate all you have achieved.

During today's Commencement ceremonies, we recognize graduates from across USF's three campuses in Tampa, St. Petersburg, and Sarasota-Manatee. Your graduating class is full of changemakers who are united by a shared commitment to building a better world — and like our great university, you are driven by bold ambitions and an optimistic vision for the future.

As USF graduates, you can take great pride in knowing that the degree you have earned holds tremendous value and respect, because it was earned at a university that is included among our nation's most renowned institutions of higher learning. This year, USF rose to its highest position ever in U.S. News & World Report's Best Colleges rankings. We are currently No. 42 among public universities and No. 97 among all public and private universities.

This summer, our university reached another historic milestone — USF was invited to join the Association of American Universities (AAU), the most prestigious association in higher education. The AAU includes only 3% of all four-year universities in the U.S., and USF is the first public university in Florida to be invited to join the association in nearly 40 years. Our university is now one of only two institutions from the State University System of Florida to serve as AAU members. This is a significant achievement because it will allow us to further invest in USF's powerful research enterprise, help us attract more bright minds to our institution, and empower us to make an even greater impact on our society.

As a proud USF alumna, I credit much of my own personal and professional success to the impact this institution has had on my life. The lessons you have learned here will continue to shape who you are and empower you to make a positive difference in your communities for many years to come. I can't wait to see what the future holds for you, the newest members of our USF alumni family.

Congratulations — and as always, Go Bulls!

UNIVERSITY OF SOUTH FLORIDA 130TH COMMENCEMENT CONVOCATION

SUMMER COMMENCEMENT 2023

UNIVERSITY OF SOUTH FLORIDA

Established in 1956, the University of South Florida is a high-impact global research university dedicated to student success. With campuses in Tampa, St. Petersburg and Sarasota-Manatee, USF serves approximately 50,000 students who represent nearly 150 different countries. USF is designated as a Preeminent State Research University by the Florida Board of Governors, placing it in the most elite category among the state's 12 public universities.

In 2023, USF became the first public university in Florida in nearly 40 years to be invited to join the Association of American Universities, a prestigious group of the leading universities in the United States and Canada. USF is now one of only two institutions from the State University System of Florida to serve as an AAU member.

Also this year, USF rose to its highest position ever in U.S. News & World Report's annual rankings of the best colleges in America. USF sits at No. 42 among all public universities and No. 97 among all universities public or private. This marks the fourth consecutive year that USF has ranked in the top 50 public universities and the first time USF has broken into the top 100 among all universities.

USF offers undergraduate, graduate, specialist, and doctoral degrees from 13 colleges, ranging from business and engineering to the arts

and health sciences. Our graduate programs continue to rank among the nation's best, with several programs listed in U.S. News & World Report's 2024 Best Graduate Schools rankings.

Through hundreds of millions of dollars in research activity each year and as one of top universities in the world for securing new patents, USF is a leader in solving global problems and improving lives. With 84 new U.S. utility patents granted in 2022, USF ranks No. 14 among American public research universities and No. 36 among all universities worldwide in generating new patents, according to the National Academy of Inventors. This marks the 10th year USF has ranked in the top 15 among American public universities.

USF's innovation and economic development efforts produce tangible benefits across the state of Florida. The university had a total economic impact of \$6.02 billion in fiscal year 2019-20 and supports more than 68,000 jobs in the state. Many of those jobs are in high-skill, high-wage, knowledge-based industries, such as life sciences, information technology, and financial services.

USF is a member of the American Athletic Conference. USF Athletics currently sponsors 19 varsity men's and women's teams that compete in 11 different sports, 18 at the NCAA Division I level.

STRATEGIC PLAN CORE VALUES

USF is committed to the core values of Inquiry, Innovation, Integrity, and Inclusion as:

INQUIRY *through*

- High-quality, multidisciplinary education, and excellence in teaching and learning.
- High-impact scholarship, research, and creative pursuits.
- Success and achievement of its students, faculty, staff, and alumni.
- Collegiality, collaboration, academic freedom, viewpoint diversity, and an institutional commitment to the open exchange of ideas, divergent opinions and philosophies, rigorous debate, grounded in the principles of civil discourse, and professional responsibility.

INNOVATION *through*

- Exploration of new technologies to create efficiencies and solve problems.
- A culture of learning, growth, entrepreneurial spirit, and partnerships.
- First-class administrative and physical infrastructure to support the university's education and research mission.
- An agile, flexible, and proactive multi-campus community that develops curricula and programs to meet rapidly changing community and global needs.

INTEGRITY *through*

- Shared governance within all components of the institution.
- Transparency and accountability of the university's operations.
- Affordable and accessible education for all.
- Social, economic, and environmental sustainability at the local and global levels.

INCLUSION *through*

- Diversity of students, faculty, and staff in safe campus environments.
- Respect and recognition of each individual through a commitment to justice, equity, and anti-racism.
- Community engagement and public service.
- A welcoming campus life with broad academic, cultural, and athletic opportunities.

THE SYMBOLS OF LEARNING

Modern academic regalia evolved from the kinds of apparel worn by monks and students in the 11th and 12th centuries to keep warm in the medieval castles and halls in which they studied. Academic life as we know it today began in the Middle Ages — first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, and the Bachelor was the apprentice of the Master. Their dress was the outward sign of stature and responsibility. Academic regalia was thus a visible manifestation — in color, pattern and design — that unified those of common discipline and like purpose. In later centuries, to preserve the regalia's dignity and meaning, universities set rules of academic dress. American universities agreed on a definite system in 1895, establishing a code of approved attire. In 1932, the American Council on Education revised this code, which, for the most part, governs the style of academic dress today. The principal features of academic dress are three: the gown, the cap and the hood.

THE GOWN — The gown has become symbolic of the democracy of scholarship, for it completely covers any dress of rank or social standing. The sleeves of the gown indicate the level of the degree held by the wearer. A long, pointed sleeve indicates the bachelor's degree. The master's gown has an oblong sleeve cut in an arc, with a slit at either the upper arm or wrist. The USF doctor's gown has bell-shaped sleeves and three black bars on the sleeve. The doctoral robe also has the seal of the university on the velvet facing.

THE CAP — The freed slave in ancient Rome won the privilege of wearing a cap, and so the academic cap is a sign of the freedom of scholarship and the responsibility and dignity with which scholarship endows the wearer. Old poetry records the cap of scholarship as a square symbolizing the book, although other authorities claim that it is a mortar board, the symbol of the masons, a privileged guild. The color of the tassel on the cap denotes the discipline. The tassels on the caps (mortar boards) worn by the faculty may be black or a color indicating the degree. Those who hold a doctoral degree may wear a gold tassel. It is traditional for degree candidates to wear their tassels on the right and for those holding degrees to wear them on the left. Graduates transfer their tassels to the left after conferring of the degrees by the President.

THE MACE — The USF mace is a ceremonial staff similar to those used by many institutions of higher learning to show the right to grant degrees to graduates. The mace is used during all Commencement ceremonies and is carried by the President of the Faculty Senate. Our mace includes a gold pine

cone at its top to represent growth and continuity. Eight silver semicircles, which support the pine cone, stand for the eight colleges in existence at USF when the mace was commissioned in 1998. When not in use, today's mace is displayed in the foyer of the President's office. The original university mace is on display in the Alumni Center.

THE MEDALLION — The medallion worn by candidates for the bachelor's degree identifies those graduating with honors based upon GPA.

THE STOLE — The stole is made available to students who are members of university honors societies. International students may choose to wear a special stole honoring their home

country. The colors of their stole reflect the colors of their native flags.

THE HOOD — The hoods are lined with the official colors of the institution conferring the degree. They are edged and bound with velvet of the color appropriate for the degree. At USF, the lining of the hood is green with a gold chevron, representing the university's colors.

THE COLORS — In regalia, academic disciplines are noted by color. These colors can be found on undergraduate and master's tassels and on master's and doctoral hoods on the velvet edging.

- Apricot — Nursing
- Blue (dark) — Philosophy (doctorate)
- Blue (light) — Education
- Blue (peacock) — Public Administration
- Blue (Rhodes) — Audiology
- Brown — Visual and Performing Arts
- Citron — Social Work, Rehabilitation and Mental Health Counseling
- Crimson — Advertising, Journalism and Mass Communications

USF ALUMNI ASSOCIATION CHAIR

Congratulations Class of 2023!

Today, your families, friends and fellow Bulls celebrate you! Your graduation signifies the culmination of years of dedication, perseverance and hard work — and that's especially true for many of you in the Class of 2023. In the face of unprecedented circumstances posed by the COVID-19 pandemic, you demonstrated resilience, adaptability and the ability to thrive amidst uncertainty. Graduating from the University of South Florida is a testament to your fortitude and unwavering belief in a brighter future.

You now have the distinction of calling yourselves USF alumni. Wherever your future takes you, you'll carry with you the distinguished reputation of a world-class university, one that is now a member of the Association of American Universities (AAU), representing the top 3% of U.S. and Canadian research universities. You will also share a lifelong bond with more than 372,000 Bulls who are leading and serving with excellence around the world. I invite you to stay connected to your alma mater and the powerful Bulls network through your USF Alumni Association. Your involvement creates meaningful ways for all of us to promote and protect our great university; share our USF pride; and make a positive impact on USF, our communities, and Bulls past, present and future.

As graduates, you are now officially General Members of the USF Alumni Association. Congratulations! You're also eligible for significant savings on Alumni Association Life Membership, which offers a full complement of benefits. Watch your email for a special limited-time offer – our graduation gift to you!

Your Alumni Association will be a valuable resource as you start the next chapter of your journey. Local alumni chapters and societies can help you make friends and professional connections quickly, whether you remain in the Tampa Bay area or relocate. And with the recent advancements in digital connectivity, our abundance of virtual events will continue, so you can plug into Bulls Country no matter where you live!

Stay up to date on the many opportunities available to you by watching your email, visiting our website, usfalumni.org, and following us on social media.

We applaud you, fellow USF graduates. Now, flip that tassel and toss that mortarboard – you've arrived! Welcome to the alumni family.

Horns Up!

KING O'NEAL SCHOLARS

A tradition since 1988, the King O'Neal Scholars are recognized each semester by the Alumni Association in honor of charter graduates Lucas King and Evelyn O'Neal. Graduating seniors with the highest overall grade point average, 4.0, are identified as King O'Neal Scholars candidates during commencement ceremonies. The recipients of the King O'Neal also receive a certificate of accomplishment and a gold medallion of the university seal.

DOCTOR OF PHILOSOPHY

Tanvir Hossain Bhuiyan, Computer Science & Engineering
B.S., Military Institute of Science and Technology
M.S.C.S., University of South Florida
Dissertation: *Insect Classification and Explainability from Image Data via Deep Learning Techniques*
Major Professors: Sriram Chellappan, Ph.D. and Ryan Carney, Ph.D.

James Doulgeris, Biomedical Engineering
B.S.E., University of South Florida
M.S.B.E., University of South Florida
Dissertation: *Multi Segment Finite Element Analysis of the Lumbar Spine*
Major Professor: William Lee III, Ph.D.

William Dramer, Chemical Engineering
B.A., University of Akron
Dissertation: *Dynamical Polymer Chain Heterogeneities and Their Impacts on the Glass Transition*
Major Professor: David S. Simmons, Ph.D.

Kuvvat Garayev, Mechanical Engineering
B.S., Middle East Technical University
M.S.M.E., University of South Florida
Dissertation: *Metachronal Locomotion: Swimming, Scaling, and Schooling*
Major Professor: David Murphy, Ph.D.

Md Abul Hasnat, Electrical Engineering
B.S.E.E., Bangladesh University of Engineering and Technology
M.S.E.E., University of South Florida
Dissertation: *Enhancing Smart Grid Security and Reliability through Graph Signal Processing and Energy Data Analytics*
Major Professor: Mia Naeini, Ph.D.

Sk Rahatul Jannat, Computer Science & Engineering
B.S.C.S., Military Institute of Science and Technology, Bangladesh
M.S.C.S., University of South Florida
Dissertation: *Multimodal Assessment of Human Behavior with Applications in Analysis of Autism Spectrum Disorder*
Major Professor: Shaun Canavan, Ph.D.

Rajeev Joshi, Computer Science & Engineering
B.S.E., Visvesvaraya Technological University
M.S.C.P., University of South Florida
Dissertation: *Optimization Techniques for Machine Learning Inference and Near Memory Image Processing in Hardware for Highly Constrained IoT Edge Nodes*
Major Professor: Srinivas Katkoori, Ph.D.

Jasmin Kaur, Computer Science & Engineering
B.S.C.P., University of South Florida
M.S.C.P., University of South Florida
Dissertation: *Secure Lightweight Cryptographic Hardware Constructions for Deeply Embedded Systems*
Major Professor: Mehran Mozaffari Kermani, Ph.D.

Shakil Mahmud, Computer Science & Engineering
B.S., Ahsanullah University of Science and Technology
Dissertation: *Enhancing the Safety and Reliability of Closed-Loop Medical Control Systems*
Major Professor: Robert Karam, Ph.D.

Sreeja Sreekantan Nair, Computer Science & Engineering
B.S., Amrita Viswaha Vidyapeetham
M.S., Cochin University of Science and Technology
Dissertation: *An Empirical Investigation of Network Topology on Majority Illusion, Behavior Adoption, and Polarization*
Major Professors: Sriram Chellappan, Ph.D. and Adriana Iamnitchi, Ph.D.

Hung Nguyen, Electrical Engineering
B.S.E.E., Posts and Telecommunications Institute of Technology
M.S.E.E., University of South Florida
Dissertation: *Deep Learning Enhancement and Privacy-Preserving Deep Learning: A Data-Centric Approach*
Major Professor: Morris Chang, Ph.D.

Alex Otten, Electrical Engineering
B.S.E.E., University of South Florida
M.S.E.E., University of South Florida
Dissertation: *Characterization and Implementation of an All-In-One Heating, Impedance, and Pulsing Device for Molecular Delivery Applications*
Major Professors: Andrew Hoff, Ph.D. and Mark Jaroszeski, Ph.D.

Mariyah Pressley, Biomedical Engineering
B.S., North Carolina A&T State University
M.S.B.E., University of South Florida
Dissertation: *Understanding How Cancer Adapts to Stress and Therapy Using Evolutionary Game Theory*
Major Professors: Joel S. Brown, Ph.D. and Richard Heller, Ph.D.

Aldin Vehabovic, Electrical Engineering
B.S.E.E., University of South Florida
M.S.E.E., University of South Florida
Dissertation: *Machine Learning Approach for Static Ransomware Analysis*
Major Professor: Nasir Ghani, Ph.D.

Kimberly Witke, Mechanical Engineering
B.A., University of South Florida
B.S.M.E., University of South Florida
M.S.M.E., University of South Florida
Dissertation: *Advances in Multiagent Systems Control: Multiplexed Information Networks-based Approaches and Beyond*
Major Professor: Tansel Yucelen, Ph.D.

Zhiqiang Wu, Civil Engineering
B.S.C.E., Chang'an University
Dissertation: *Exploration of Shared Passenger Urban Air Mobility - Integrated Network Design, Operation Scheduling and System Configuration*
Major Professor: Yu Zhang, Ph.D.

Hye Yi, Computer Science & Engineering
B.S.C.S., Konkuk University
M.S.C.S., Columbia University
Dissertation: *Automated Approaches to Enable Innovative Civic Applications from Citizen Generated Imagery*
Major Professor: Sriram Chellappan, Ph.D.

Farhath Zareen, Computer Science & Engineering
B.S.I.T., Osmania University
M.S.C.S., University of South Florida
Dissertation: *Enhancing and Securing Wireless Medical Technology for Diagnosis and Treatment of Lower Urinary Tract Dysfunction*
Major Professor: Robert Karam, Ph.D.

Yan Zhang, Civil Engineering
B.S., North University of China
M.S.C.E., University of South Florida
Dissertation: *Adsorption of Long and Short Per- and Polyfluoroalkyl Substances (PFAS) onto Granular Activated Carbon and Porous Organic Polymers*
Major Professor: Qiong Zhang, Ph.D.

COLLEGE OF MARINE SCIENCE

Thomas K. Frazer, Dean

DOCTOR OF PHILOSOPHY

Cara Estes, Marine Science
B.S., Florida State University
Dissertation: *Time-Series Analysis of Coral Reef and Reef-Fish Biodiversity in the Florida Keys National Marine Sanctuary*
Major Professor: Frank Muller-Karger, Ph.D.

Savannah Hartman, Marine Science
B.A., University of Virginia
Dissertation: *Meta-Analysis of United States Seabird Populations Based on Ocean Biodiversity Information System (OBIS) Records (1965-2018)*
Major Professor: Frank Muller-Karger, Ph.D.

MORSANI COLLEGE OF MEDICINE

Charles J. Lockwood, Dean

DOCTOR OF PHILOSOPHY

Nana Adjoa Ben-Crentsil, Medical Sciences
B.S., Kwame Nkrumah University Of Science and Technology
M.S.M.S., University of South Florida
Dissertation: *The Long Non-Coding RNA MALAT1 is Necessary For Tet2-Deficient Preleukemic Phenotypes*
Major Professors: Eric Padron, MD and Robert Deschenes, Ph.D.

Drishya Sriram Iyer, Medical Sciences
B.S., University of South Florida
Dissertation: *A Novel Role for eNOS in Regulating Lymphatic Valve Development During Embryogenesis*
Major Professor: Joshua P. Scallan, Ph.D.

Roukiah Khalil, Medical Sciences
B.S., College of Pharmacy, Cairo University
M.S.M.S., University of South Florida
Dissertation: *Witbaferin A and Immune Checkpoint Blocker Therapy for The Treatment of Non-Small Cell Lung Carcinoma*
Major Professor: Subhra Mohapatra, Ph.D.

Prisca Lin, Medical Sciences
B.S., Chang Gung University
M.S.M.S., University of South Florida
Dissertation: *Defining a Factor-Induced Signaling Signature for Endothelial Tubulogenesis, Sprouting, and Pericyte Recruitment*
Major Professor: George E. Davis, MD, Ph.D.

Andrew McGill, Medical Sciences
B.S., University of South Florida
M.S., University of South Florida
Dissertation: *Linolenic Acid Liposomes Encapsulating Acetate Reduces SARS-CoV-2 and Respiratory Syncytial Virus Infection*
Major Professor: Shyam Mohapatra, Ph.D.

Justin Nicholas, Medical Sciences
B.S., University of North Florida
M.S., University of South Florida
Dissertation: *Preliminary Characterization and Functional Validation of Pre-Erythrocytic Vaccine Candidates for the Malaria Parasite Plasmodium Vivax*
Major Professors: John H. Adams, Ph.D. and Andreas Seyfang, Ph.D.

Courtney Trotter, Medical Sciences
B.S.C.H., University of South Florida
Dissertation: *Vascular and Auditory Changes after Repetitive Traumatic Brain Injury*
Major Professor: Subhra Mohapatra, Ph.D.

Ishani Wickramage, Medical Sciences
B.S., University of Colombo
M.S., University of Colombo
Dissertation: *Role of Short Interspersed Nuclear Repeat (SINE) Retrotransposons of Maternally Imprinted microRNA Clusters in Hemochorial Placental Antiviral Immunity*
Major Professor: Hana Totary-Jain, Ph.D.

COLLEGE OF NURSING

Usba Menon, Dean

DOCTOR OF NURSING PRACTICE

Ezela Agolli
A.A., St. Petersburg College
B.S.N., University of South Florida

Names published in this Commencement program are a list of candidates who have applied to graduate by the deadline noted in the academic calendar for this term. Names do not appear if the application was not submitted by that deadline or for those who applied to graduate in an earlier term or who plan to apply in a later term. Names are also not printed for those who elected total privacy on their university record. The list of candidates in this program is not a certified list of graduates.

NOTICE OF FILMING AND PHOTOGRAPHY

By attending Commencement, you consent to being photographed and to the recording and use of your name, voice, and likeness by USF and its licensees for advertising, publicity and any other purposes in any and all media in perpetuity and without any right of approval. If you do not wish to be photographed or recorded, please do not attend.

ALMA MATER

Hail to thee, our Alma Mater
 May thy name be told,
Where above thy gleaming splendor,
 Waves the green and gold.
Thou our guide in quest for knowledge
 Where we all are free
University of South Florida,
 Alma Mater, hail to thee!

Be our guide in truth and wisdom
 As we onward go,
May thy glory, fame and honor
 Never cease to grow,
May our thoughts and prayers
be with thee through eternity,
University of South Florida,
 Alma Mater, Hail to thee!
