# **APPLICATION OF EVALUATION IN OPERATION: GLOBAL ACTION PROJECT**

Presented by:

**Parandoosh Sadeghinia, Ph.D. (c)**

[parandoosha@usf.edu](mailto:parandoosha@usf.edu)

Operation: Global Action (OGA) is a non-traditional co-curricular experience. Due to COVID-19, the university has developed a virtual version of OGA for undergraduate students to produce project proposals and participate in an innovative experience, focused on global issues related to the United Nations 17 Sustainable Development Goals. This presentation will provide a useful example of how OGA was evaluated and its results used as a baseline for decision-making.
