Bring your lunch and we will provide dynamic discussions about evaluation.

Collaborative Evaluations Step-by-Step

Liliana Rodríguez-Campos, Ph.D.

This presentation is for those evaluators who want to engage and succeed in collaborative evaluations. Building on theoretical grounding, attendees will explore how to apply the Model for Collaborative Evaluations (MCE) to real-life situations, with a special emphasis on those elements that facilitate stakeholders' involvement. Attendees are encouraged to bring actual evaluation examples, present scenarios and/or specific problem areas for discussion and improvement
