

# FREE VIRTUAL WORKSHOP SERIES

## The Model for Collaborative Evaluations (MCE) to Improve Training Programs

Friday, November 19, 2021 // 12:00 p.m.

**Presented by:**

**Yassir Alzahrani, Ph.D.**

*yassir@usf.edu*

High-quality training programs must maximize knowledge transfer to the audience, foster improvement, and make sense to the organization. The MCE's practicality helps to improve the quality of training programs and their innovation. Attendees are encouraged to bring actual examples for discussion.
