@EDUCATIONUSF

The research of more than 70 University of South Florida (USF) faculty and graduate students will be presented to the educational research community at the 2023 American Educational Research Association (AERA) Annual Meeting from April 13-16 in Chicago, IL.

The AERA Annual Meeting is the world's largest gathering of scholars in the field of education research and is a showcase for ground-breaking, innovative studies in an array of areas. Research presentations span from early education through higher education and from digital learning to second language literacy.

The theme for this year's meeting is "Interrogating Consequential Education Research in Pursuit of Truth." Attendees from the university will participate in a variety of sessions as invited speakers, research authors, mentors and award recipients.
