

Graduate Students at the American Evaluation Association 2015 Chicago, Illinois

Several students who took evaluation courses in the Department of Educational and Psychological Studies had proposals accepted at the American Evaluation Association (AEA) Conference 2015. The Annual AEA Conference held in Chicago had the participation of 17 students who were previously enrolled in the course EDF 7940: Supervised Practicum in Applied Evaluation, taught by Dr. Liliana Rodríguez-Campos. She has motivated her students to go beyond the course objectives in order to represent USF in important evaluation events.

With Dr. Rodríguez's encouragement and guidance, her doctoral students prepared and submitted their evaluation proposals to be presented at the AEA Conference 2015. As a result, the following former evaluation students were invited to represent USF in Chicago last November: Maha Alamoud, Abeer Alamri, Shetay Ashford, Cynthia Bauman, Alyson Busse, Sean Dickerson, Fadwa Flemban, Oriana Eversole, Anthea Henderson, Harold Holmes, Yujuan Liu, Sarah Mirlenbrink Bombly, Michael Mitchell, Sean Murphy, Jennifer Rinck, Omar Salaam, and Connie Walker-Egea.

This is another example of encouragement and collaborative work at USF!
