

Graduate Students at the American Evaluation Association 2018 Cleveland, Ohio

Several students who took evaluation courses in the Department of Educational and Psychological Studies had proposals accepted at the American Evaluation Association (AEA) Conference 2018. The Annual AEA Conference held in Ohio had the participation of 17 students who were previously enrolled in the evaluation courses, taught by Dr. Liliana Rodríguez-Campos. She has motivated her students to go beyond the course objectives in order to represent USF in important evaluation events.

With the encouragement and guidance of Dr. Rodríguez, her doctoral students prepared and submitted evaluation proposals to be presented at the AEA Conference 2018. As a result, the following former evaluation students were invited to represent USF in Ohio last November: Keisha Albritton, Shetay Ashford, William Carpenter, Davina DeVries, Aimee Frier, Anna Gonzalez, Joy Lee, Michael Mitchell, Eunkyung Na, Daphne Phillips, Veronica Raley, Michelle Robinson, Chantae D. Still, Debra Evonne Thrower, Michael Voris, Connie Walker-Egea, George Richard Young, and Yu Zhang,

This is another example of encouragement and collaborative work at USF!
