Reserved Computer Labs: EDU 159 & 417

There are 2 reserved computer labs in the College of Education. Other computer labs can be found throughout the university. The COEDU Lab computers have the following software:

- SAS (Statistical Analysis System)
- SPSS (Statistical Package for the Social Sciences)

The College of Education computer labs are by reservation only for large groups or classes.

Please contact your department's Academic Program Specialist for assistance with reserving a computer lab.
