

Dean Bishop

Rhondel Whyte

Daniel Yeh

College of Engineering Speakers at TEDxUSF

The University of South Florida will host TEDxUSF A World Beyond Ourselves, Saturday, March 28, 2015, 10 a.m. to 4 p.m. Three speakers from the USF College of Engineering will give talks.

Robert H. Bishop, College of Engineering Dean

“Art and Engineering – On the Interface of Creativity at the Edge of a Dream”

Rhondel Whyte, Electrical Engineering Undergraduate Student

“Quantum Mechanics with the Prime Minister, the Vice President & the Crime Kingpin”

Daniel Yeh, Civil and Environmental Engineering Professor

“Taking on the global grand challenges of water, energy, food and sanitation at their nexus through bio recycling engineering”
