

INSTITUTE OF APPLIED ENGINEERING

RAPID EXPERIMENTATION LAB

Services

*Pass/subscription services will be offered starting April 1st 2025.

PASSES/SUBSCRIPTIONS

10% Off Sale!

Bring your project to life with our flexible pass or subscription packages! Packages are offered monthly, by day, and by hour. Get hands-on access to our cutting-edge lab equipment, plus free training, materials, and expert engineering support. Access is dependent on package selected.

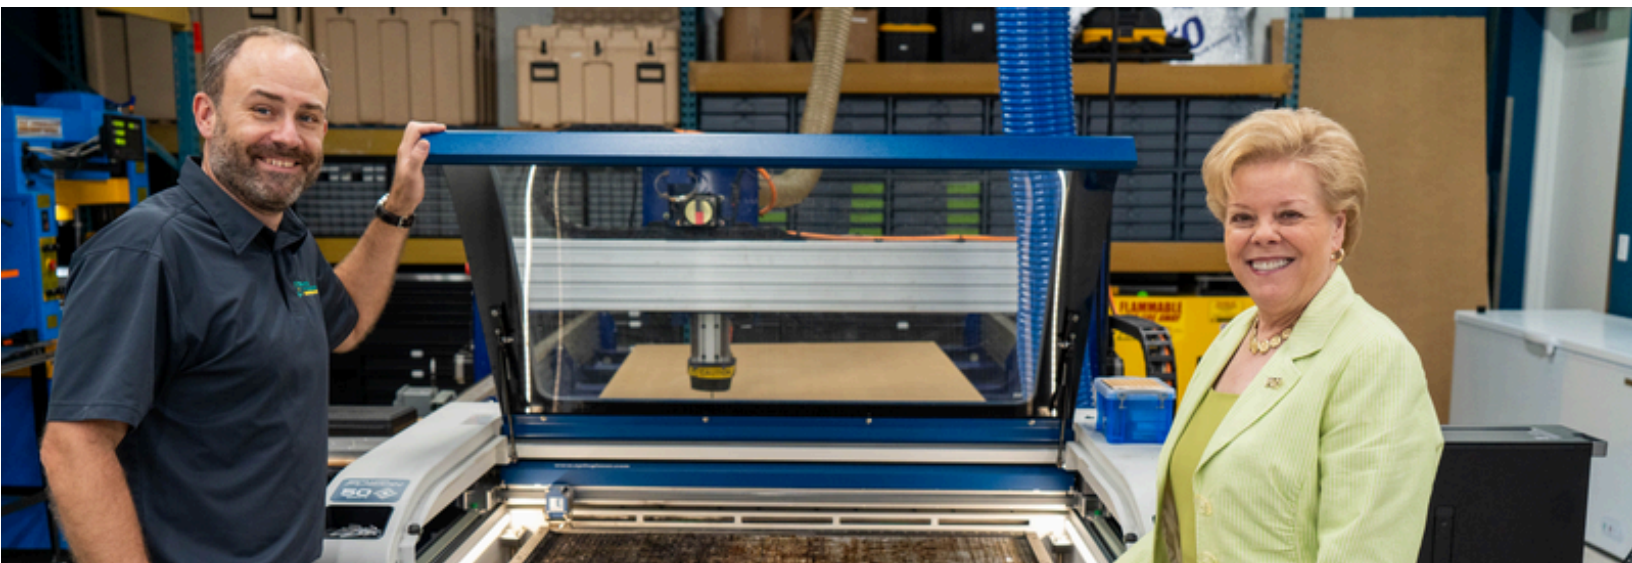

SEE OUR OTHER SERVICES BELOW!

OFFICE SPACES & STORAGE

Need private workspace a few steps away from our lab or a secure space to store your project? Contact us to discuss office space rentals today!

LIMITED PRODUCTION, RAPID PROTOTYPING & CONSULTING

Need help with a project? Or want a professional engineering team to produce your project for you? Reach out to us for a request quote!

Get 10% off subscription/ pass packages if you sign up before April 1st 2025!

Price Sheet

*Pass/subscription services will be offered starting April 1st 2025.

PASSES/SUBSCRIPTIONS

Package	Hour Pass	Day Pass	Annual Subscription	6 Month Subscription	3 Month Subscription
	PER HOUR	PER DAY	PER MONTH	PER MONTH	PER MONTH
Starter	\$49	\$300	\$400	\$500	\$600
Pro	\$69	\$500	\$750	\$850	\$950
Elite	\$99	\$850	\$1,200	\$1,300	\$1,400

STARTER

Machines:

Ender 5 Plus 3D Printer, Ultimaker S5 3D Printer, Laser Cutter/ Engraver, Hand Tools

Subscriptions (per Month):

\$50 in Materials
2 Hours of Engineering Support

Hour Passes: \$5 in Materials

Day Passes: \$10 in Materials

PRO

Machines:

Form3 Resin 3D Printer, Laguna Bandsaw, Drill Press, Electronic Benches

Subscriptions (per Month):

\$150 in Materials
4 Hours of Engineering Support

Hour Passes: \$10 in Materials

Day Passes: \$15 in Materials

ELITE

Machines:

Tormach 770M Operator, CNC Router Operator, Desktop CNC Mill, Stratasys F370

Subscriptions (per Month):

\$250 in Materials
8 Hours of Engineering Support

Hour Passes: \$15 in Materials

Day Passes: \$25 in Materials

**The engineering support hours and materials listed above are included in the subscription/pass price.*

**All packages include access to equipment training courses.*

OTHER SERVICES

Service	Service Description	Price
Limited Production	Small-scale manufacturing of prototypes or custom components	Contact Us for a Quote!
Rapid Prototyping	Fast development of functional prototypes using advanced fabrication techniques	Contact Us for a Quote!
Consulting	Expert guidance on engineering, product development, and innovation strategies	Contact Us for a Quote!
Office Rentals	Flexible office space adjacent to the REL within a collaborative innovation environment	\$4/SF/Month
Material/Product Storage	Secure storage solutions for project materials and prototypes	\$15/Month
