

# Official Score Sheet

Record the names of the competition officials, the names of the schools participating in this match, and the final scores at the bottom of this sheet. Be sure the captain of each team signs off on the scores.

See that the Rules Judge PICKS UP ALL PAPER at the beginning and end of the Team Challenge portion of the match as well as at the end of the round! The students are NOT to take their scratch work out of the competition room.

Please have the RUNNER take the Official Score Sheet, the scorekeeper's sheets from the flip chart, as well as the Moderator and Science Judge's question packets to Ocean Bowl Central.
