

# NSF I-CORPS

Are you a life sciences faculty or student and want to attend the BioFlorida conference?

Join our virtual December I-Corps cohort run in collaboration with FIU, UM and USF for a life sciences based cohort. This is a short course program for teams interested in commercializing their research. Teams may consist of students and/or faculty.

## AGENDA

**Dec. 1:**

(9 a.m. – 2 p.m.)  
Kickoff workshop

**Dec. 15:**

(9 a.m. – 1 p.m.)  
Finale and lessons learned

**Dec. 8-10:**

Attend BioFlorida conference to conduct customer discovery interviews

Participants will receive funding by their respective institutions to attend the BioFlorida conference to conduct 20 customer discovery interviews. After successful completion of the program, participants may be eligible for a \$50,000 National NSF I-Corps grant. Register here to participate!
